VIVE L'AMOUR!

A MOVEABLE FEAST FOR VALENTINE'S DAY

This Valentine's Day, celebrate with an experience curated for love! In our sleek metal bucket you'll find a bottle of wine nestled in French linen. Enjoy freshly baked tarts courtesy of one of the ten best bakeries in the country. But we're not stopping there! You'll also find Frenchie Baguette sandwiches, fresh fruit and gourmet treats.

We've included a vase filled with aromatic lavender to brighten your day, as you ask each other as you ask each other 12 thoughtful questions about life and love. Yours! Also, choose among six beautiful poems to read aloud to each other.

Curl up with a good book, kick back with your best friend, or snuggle up with your honey . . . either way, we know you'll enjoy the treasures and Vive l'amour!
